TO MY SISTER

Sissy I love you so much. You and I had a bond like no other. We laughed, cried, held each other up when we were at our lowest. You will always be on my mind and in my heart. I'm going to miss our Sunday dinners and spending time with each other. I will keep it going for you. I tried my best to let you know how much I appreciated you while you were living but I do appreciate everything you did for me. I find comfort in knowing that God makes no mistakes. He knew you did all you could do here and so he called you home. I will take great care of Madisyn and Pamela for you. I will give all the love they need just like you did. I Love You Big Sis. Love your Sister Lillor.

TO MY DAUGHTER

*They say there is a reason
They say time will heal;
Neither time or reason
Will change the way I feel. Gone are the days we used to
share,
But in my heart you are always there.
The gates of memories will never close;
I miss you more than anybody knows...
I love and miss you everyday
Always and forever until we meet again
Love, Your Mom Lillie B*

TO MY MOM

*Mom, I'm really going to miss you. I'm going to miss your voice, your touch and your kisses. You taught me so much that I never knew. You taught me how to be strong and how to face different situations. You taught me how to love God first and also how to love myself. I wish we had more time but I understand why we didn't. I will make you proud of me as I continue on without you here. Mama please watch over me and guide me to the right directions. I love you!
Love, Madisyn.*
